 For all of the Fake News Reporters that don't have a clue as to what the law is relative to Presidential powers, China, etc., try looking at the Emergency Economic Powers Act of 1977. Case closed!

 Hillary Clinton's Emails, many of which are Classified Information, got hacked by China. Next move better be by the FBI & DOJ or, after all of their other missteps (Comey, McCabe, Strzok, Page, Ohr, FISA, Dirty Dossier etc.), their credibility will be forever gone!

Huma Abedin & Muslim Brotherhood
 Anonymous 2 Nov 2017 - 4:39:22 PM

<http://thehill.com/blogs/pundits-blog/presidential-campaign/292310-huma-abedins-ties-to-the-muslim-brotherhood>
 The Clinton campaign is attempting once again to sweep important questions under the rug about top aide Huma Abedin, her family ties to the Muslim Brotherhood and to Saudi Arabia, and her role in the ballooning Clinton email scandal.
 Her mother, Saleha Abedin, sits on the Presidency Staff Council of the International Islamic Council for Da'wa and Relief, a group that is chaired by the leader of the Muslim Brotherhood, Sheikh Yusuf al-Qaradawi.
 Perhaps recognizing how offensive such ties will be to voters concerned over future terrorist attacks on this country by radical Muslims professing allegiance to Sharia law, the Clinton campaign on Monday tried to downplay Ms. Abedin's involvement in the Journal and the Muslim Brotherhood.
 The Clinton surrogate group Media Matters claimed predictably there was "no evidence" that Ms. Abedin or her family had ties to the Muslim Brotherhood, and that Trump campaign staffers who spoke of these ties were conspiracy theorists.

To debunk the evidence, Media Matters pointed to a Snopes.com "fact-check" piece that cited as its sole source... Senator John McCain. This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi.

Now, what are the odds of that? – Q

More Good People Than Bad

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted
 11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed, Patriots.
 PS, Soros is targeted.
