First things, first...

Q has given us some confirmation as to these references.

HRC = Alice

SA = Wonderland

So let's work from there, and keep it simple.

WHO ARE THE WHITE RABBITS?

Re_read drops re: ..SA

Have faith.

For God & Country.

Q

If SA is Wonderland, it's really not a new reference.

Think of all the things that those locations in above post are referencing.

Ports, shipping (EverGreen) and Human Trafficking.

thefifthcolumnnews.com/2016/09/saudi-...

So HRC is Alice.

Oddly enough, @ChristinePolon1 has found , yet another great reference to this, but it's likely also referencing her email with Marty Torrey.

Or, the 'Mad Hatter'.

Think about what's really being discussed here.

Monarchy?

RELEASE IN PART B6

Monarchy ! :-) Hmm.

From: Marty Torrey [redacted]

B6

To: Hillary Clinton HDR22@clintonemail.com

Subject: Monarchy ! :-) Hmm.

'Alice',

Your recent 'adventures' warrant use of 'Alice' :-) Today discussed coverage of your trip with our British friend [redacted]
[redacted] His take is that 'America should reconsider a monarchy -
assuming Madam Secretary will accept the post' :-) Yep. We also feel Mid East situation would have more clarity and Gulf of
Mexico disaster would have been dealt with sooner. My take is that I am just so proud to know the most influential American
on the planet....and still want her as Commander-in -Chief. Another 'adventure' behind 'Alice'accomplished perfectly.
Monarchy ? Hmmm, so how many campaign volunteers will we need for that one ! ? Will find them :-)
'Hatter'

@ChristinePolon1 I cover the topic of the 'Hatter', in this video.

SHIPPING.

Marty Torrey comes from a prolific family, detailed here.

<https://youtu.be/CN86WCYQJ5I>

@ChristinePolon1 It's long been my hunch that the F-35 debacle, was either directly, or indirectly, part of the SAP's sold or shared with China.

This would explain the obvious simultaneous US failures with it, and China's lookalike.

Brennan was likely involved here, too

defenseone.com/threats/2015/0...

@ChristinePolon1 And of course, much of those would have come from 'someone's' emails.

[@ChristinePolon1](#) Let's not forget, that the ICIG warned of this email breach, years ago. Who ignored that warning?

Strzok.

Peter Strzok.

But maybe they weren't really 'ignoring' it, at all.

wnd.com/2019/08/house-...

[@ChristinePolon1](#) Not gonna go into Strzok, but [@tracybeanz](#) did a great thread on that family a while back.

Long story short.

Helicopters.

Ian.

FBI/CIA breeding.

Great candidate to be in charge of 'ignoring' the passage of SAP's.

threadreaderapp.com/thread/1020028...

[@ChristinePolon1](#) [@tracybeanz](#) *Iran.

Ian, is not involved.

that I know of.

[@ChristinePolon1@tracybeanz](#) In Tracy's thread, she mentions Strzok's father's company being investigated by the SEC (Textron).

Helicopter parts...

F-35 parts...

A 'spare parts' problem?

I guess they learned their lesson from Pop's, because hours after HRC's emails were found..

truepundit.com/insurance-hour...

[@ChristinePolon1](#) [@tracybeanz](#) Pops, not Pop's.

Auto-correct, can go to he'll.

[@ChristinePolon1](#) [@tracybeanz](#) This is where it all seems to intersect.

SAP's, Weiner's laptop, HRC's over-zealous defense of her emails, McCabe's pending indictment...

[@ChristinePolon1@tracybeanz](#) If you're running a sophisticated human trafficking op, what better way, than to hamstring your opposition, by selling their secrets to the highest bidder?

Side Note: Info on the 'White Rabbits' are also in my video above.

Cheers!

Are you a Vaporor? (Vapist?)

I agree that a flat out ban, could have a ripple effect and I'm never thrilled about bans, in general. I'm also aware that something seems to be in these things, that is harming people.

Whether you do this or no, how do you feel about the ban?

I have not seen the specifics, but it seems to be only 'flavor' e-cigs, and not any old product like cbd or nicotine.

I don't trust 'flavor' in my food, either.

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind."

God bless my fellow Americans.

FOR IMMEDIATE RELEASE

Former HUD Assistant Inspector General Indicted for Concealing Procurement Fraud Scheme

A seven-count indictment was returned yesterday charging a former Assistant Inspector General for the U.S. Department of Housing and Urban Development, Office of Inspector General, with engaging in a scheme to conceal material facts, making false statements and falsification of records.

Assistant Attorney General Brian A. Benczkowski of the Justice Department's Criminal Division, Acting Assistant Director in Charge John P. Selleck of the FBI's Washington Field Office and Michael K. Atkinson, Inspector General of the Intelligence Community made the announcement.

According to the indictment, between early 2012 and mid-2016, Eghbal "Eddie" Saffarinia engaged in a scheme to conceal material facts, including the nature and extent of Saffarinia's financial relationship with a personal friend who was the owner and chief executive officer of an information technology company in Virginia. During a period in which Saffarinia received payments and loans from his friend totaling \$80,000, Saffarinia disclosed confidential internal government information to his friend and undertook efforts to steer government contracts and provide competitive advantages and preferential treatment to his friend's company. Saffarinia also failed to disclose this financial relationship and another large promissory note on his public financial disclosure forms.

The case is being investigated by the FBI's Washington Field Office and the Office of the Inspector General of the Intelligence Community. Trial Attorneys Edward P. Sullivan and Rosaleen T. O'Gara of the Criminal Division's Public Integrity Section are prosecuting the case.

An indictment is merely an allegation. All defendants are presumed innocent until proven guilty beyond a reasonable doubt in a court of law.
